Dear Mr McMorrow

Re: Request to have video entry installed

Thank you for your request to have a video entry system installed at your property.

To enable us to consider your request we would need an Occupational Therapists Assessment to be completed.

You would need to contact Haringey Councils Adults Social Care Team to arrange this, they can be contacted on 020 8489 1400.

Once your needs have been assessed they will contact us directly with the report.

Should you need any further assistance please do not hesitate to contact us.

Yours sincerely
