Dear Daniel,

Just to update you, I have contacted L&Q Housing Team today via telephone and sent them an email regarding the intercom still not being installed. They have confirmed that the request from Holly Walker OT back in December 2016 was received and sent to the relevant team however, they could not confirm why it has not yet been completed.

They have requested that I send the recommendation again to them which I have done and I have requested it is completed urgently.

Kind regards

Martha Price
